

### REMARKS

This is a petition for amendment after allowance under 37 CFR 1.312. Applicant is in receipt of a Notice to File Corrected Application Papers dated July 24, 2007 from Examiner Olson of the Office of Patent Publications. The Notice required the amendment of paragraph bridging pages 2-3 of the specification to delete all references to the canceled Claims. The Applicant phoned Examiner Olson on August 14<sup>th</sup> 2007 and discussed amendments to the paragraph with Examiner Olson. It was agreed that the subject paragraph would be deleted.

Applicants petition the Commissioner to permit the deletion of the objected to paragraph in conformance with the outstanding Notice. This amendment does not add new subject matter, does not alter the scope of the claims and does not require additional search or examination, or substantial amount of additional work on the part of the PTO. Applicant respectfully requests the entry of the amendments.

### CONCLUSION

The issue fee has previously been paid. Please charge any additional fees which may be required, including petition fees, or credit any overpayment to the Deposit Account 50-1338 (AWAPP008) in connection with this matter.

Respectfully submitted,
